Peoria City/County Health Department Accepts Private Insurance For Health Clinic Services

Peoria - The Peoria City/County Health Department now accepts some private insurance, as well as Medicaid cards for services delivered through the health clinic.

Contracts are in place to service clients with insurance through Humana, United Healthcare, and Blue Cross/Blue Shield in addition to all forms of Medicaid.

Health clinic services may include medical exams, immunizations, childhood lead testing, TB testing, and STD testing.

Appointments are available for health clinic services by calling 309-679-6655. Clients are advised to bring their insurance cards and information with them to all visits. Some health clinic services delivered at the Peoria City/County Health Department are provided in coordination with our partner Heartland Health Services.

For more information on important public health issues, visit the website www.pcchd.org or contact the Peoria City/County Health Department at 679-6101.

###

The Peoria City/County Health Department continues efforts to improve community health in Peoria County with the overarching goal “to increase the number of people who are healthy at every stage of life.”
