Daily Tri-county Update COVID-19

Peoria, Tazewell, Woodford Counties-

Coronavirus Disease 2019 (COVID-19) Tri-County Cumulative Test Results

	Positive (Confirmed)	Negative Tests	Pending Results	Deaths
Peoria County	3	23	19	0
Tazewell County	0	16	9	0
Woodford County	2	5	3	0

Total number of persons reported electronically for testing. Provisional and subject to change.

With COVID-19 increasing in Illinois, we are only reporting on cases residing in our individual counties.

Reminder to follow the Illinois Department of Public Health guidance for healthcare providers and the public to discuss procedures and surg

- Stay home to prevent spread of the virus.
- Stay 6 feet away from people if you go out for essential services.
- Avoid close contact with people who are sick.
- Wash your hands often with soap and water for at least 20 seconds, or use an alcohol-based hand sanitizer with at least 60% alcohol.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Avoid touching your eyes, nose, and mouth.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The care and safety of our residents is our highest priority. All partners and organizations involved in this COVID-19 community response in the tri-county area remain fully prepared to respond to COVID-19 cases. Public health, hospital systems, and first responders maintain highly trained infection control teams, specialized equipment, and protocols consistent with the latest guidance from the Centers for Disease Control and Prevention (CDC).

Individuals who have questions or concerns about COVID-19 can contact the Illinois Department of Public Health Hotline at 1-800-889-3931.
