Daily Tri-county Update COVID-19

Peoria, Tazewell, Woodford Counties

*Coronavirus Disease 2019 (COVID-19) Known Positive Test Results
Cases residing in these individual counties.*

	Peoria	Tazewell	Woodford	Totals
Confirmed Positive	65	36	11	112
Deaths	2	3	1	6

Total number of persons reported electronically. Provisional and subject to change.

Please note that Illinois Department of Public Health case counts may include testing facility counts of residents from many counties and may not reflect actual testing counts of residents from that county. Check local health department counts for more accurate resident testing numbers.

Local Hospital Data

Data for all counties using local hospitals.

PUI cases in ICU	Confirmed cases in ICU	Total ICU Usage for COVID-19	Total PUI/Confirmed in NON-ICU	Total Deaths reported in past 24 hours
12	10	22	35	1

PUI are Persons Under Investigation for COVID-19

Food Establishment Self-Inspection Forms Available in Peoria County

Food establishments in Peoria County offering carryout/delivery/curbside pickup during the stay-at-home order should submit self-inspections every two weeks. Food establishments that are closed during the stay-at-home order should submit a self-inspection prior to reopening when the Governor lifts the closure order. Forms are online at <https://www.pcchd.org/149/Forms>.

For more information on food safety for your county, contact your local health department. Local health departments throughout Illinois continue to provide disease surveillance and food safety activities to assure the care and safety of our residents as our highest priority.

To find local information on many aspects of the Tri-county community response to COVID-19, visit www.pcchd.org/COVID19.
